# International Freight Services

In today's global economy, a smooth flow of goods is essential to the success of your company. With GTS, you can rest assured that we will handle your international freight in a quick and cost effective manner. With partners and affiliations in more than 120 countries, we offer door-to-port service by land, air, and sea. The scope of our services include:

## IMPORTS

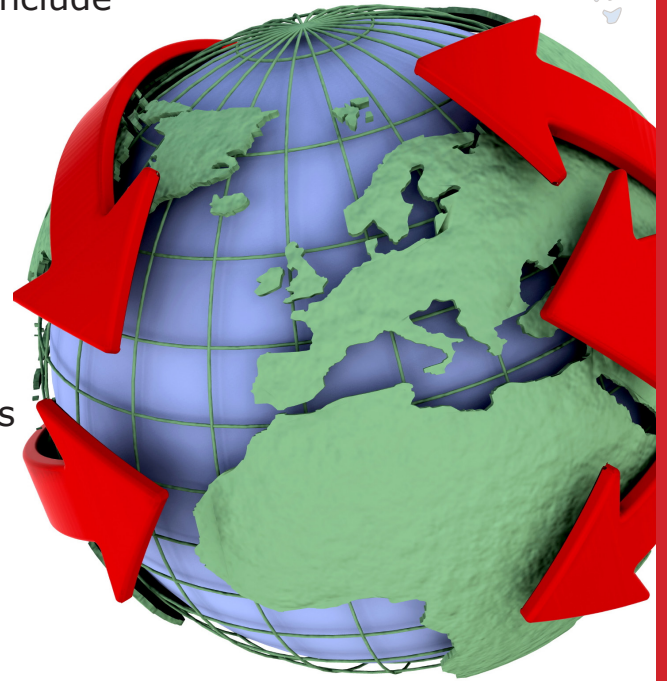

- Regular ocean and air consolidations
- Worldwide agents network
- Accurate import documentation for hassle free customs clearance
- Wide range of delivery vehicles for FCL, LCL, and overweight FCL

## EXPORTS

- Air and ocean shipments with more than 600 accredited partners in virtually every port of the world
- Dangerous goods certified for air and ocean
- Prompt and expedient responses to emails and rate requests
- Expert care in accomodating schedule and repeated shipments
- Available services from our partner carrier include NVOCC, FMC, IATA, C-TPAT, and Certified Cargo Screening Provider (CCSP)

## WAREHOUSE

- 21,000 square foot warehouse near Cleveland Hopkins International Airport
- Five truck bays and oversize drive-in door
- Storage capacity for your import and export shipments
- Consolidation of various suppliers shipments
- Deconsolidation available
- Short and long term storage available
- Special warehousing needs available upon request
